2009-2010

# Purpose

- Provide a snapshot of progress on the financial situation of the project to date;
- Review performance based on transfers versus expenditure per the 2009-2010 AWP;
- Report on some of the challenges [regional perspective]
- Propose some way forward and recommendations.

# Financial Situation

- December 2009, “Start-Up” funding as well as 3<sup>rd</sup> & 4<sup>th</sup> quarter funding transferred to all the countries accept Marshall Islands and Papua New Guinea.
- As at 31 December 2009 total project spending was US\$928,682 dollars which equates to approximately 7% of total budgeted project costs.

## Comparison of the 2009 Actual Expenditure & the 2009 AWP - By Outcomes

**The Total Expenditure for 2009 is 77% of the 2009 AWP and the % breakdown by Outcomes are as follows :**

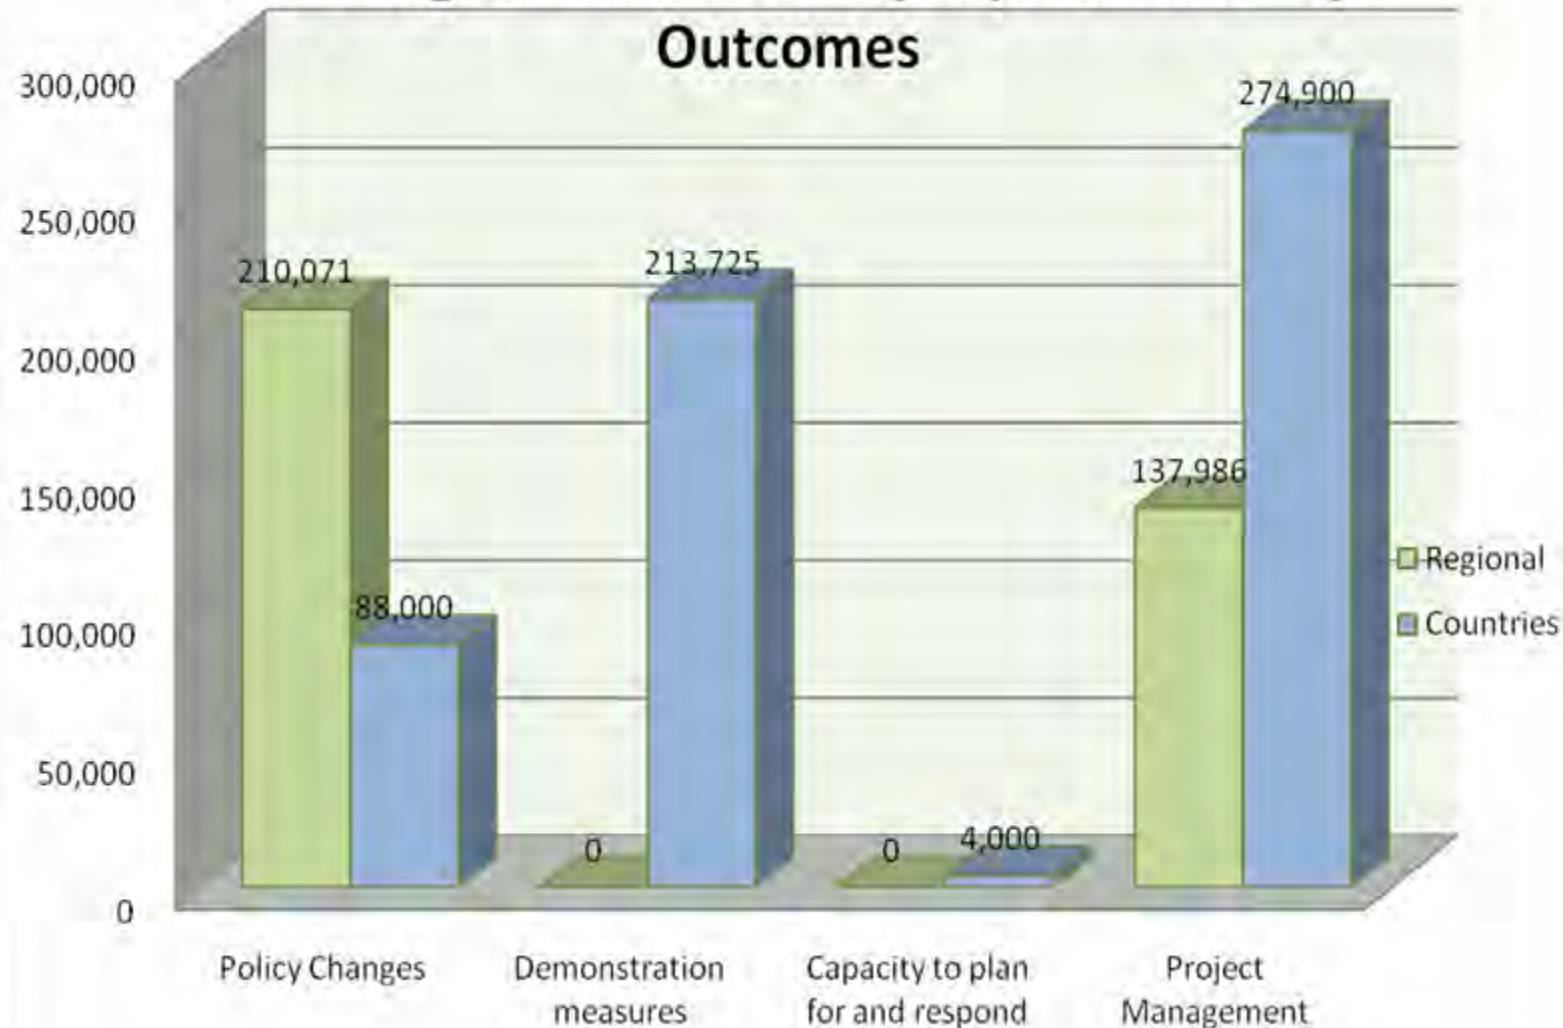

Policy Changes – 32%

Demonstration measures – 23%

Capacity to plan for and respond – 1%

Project Management – 44%

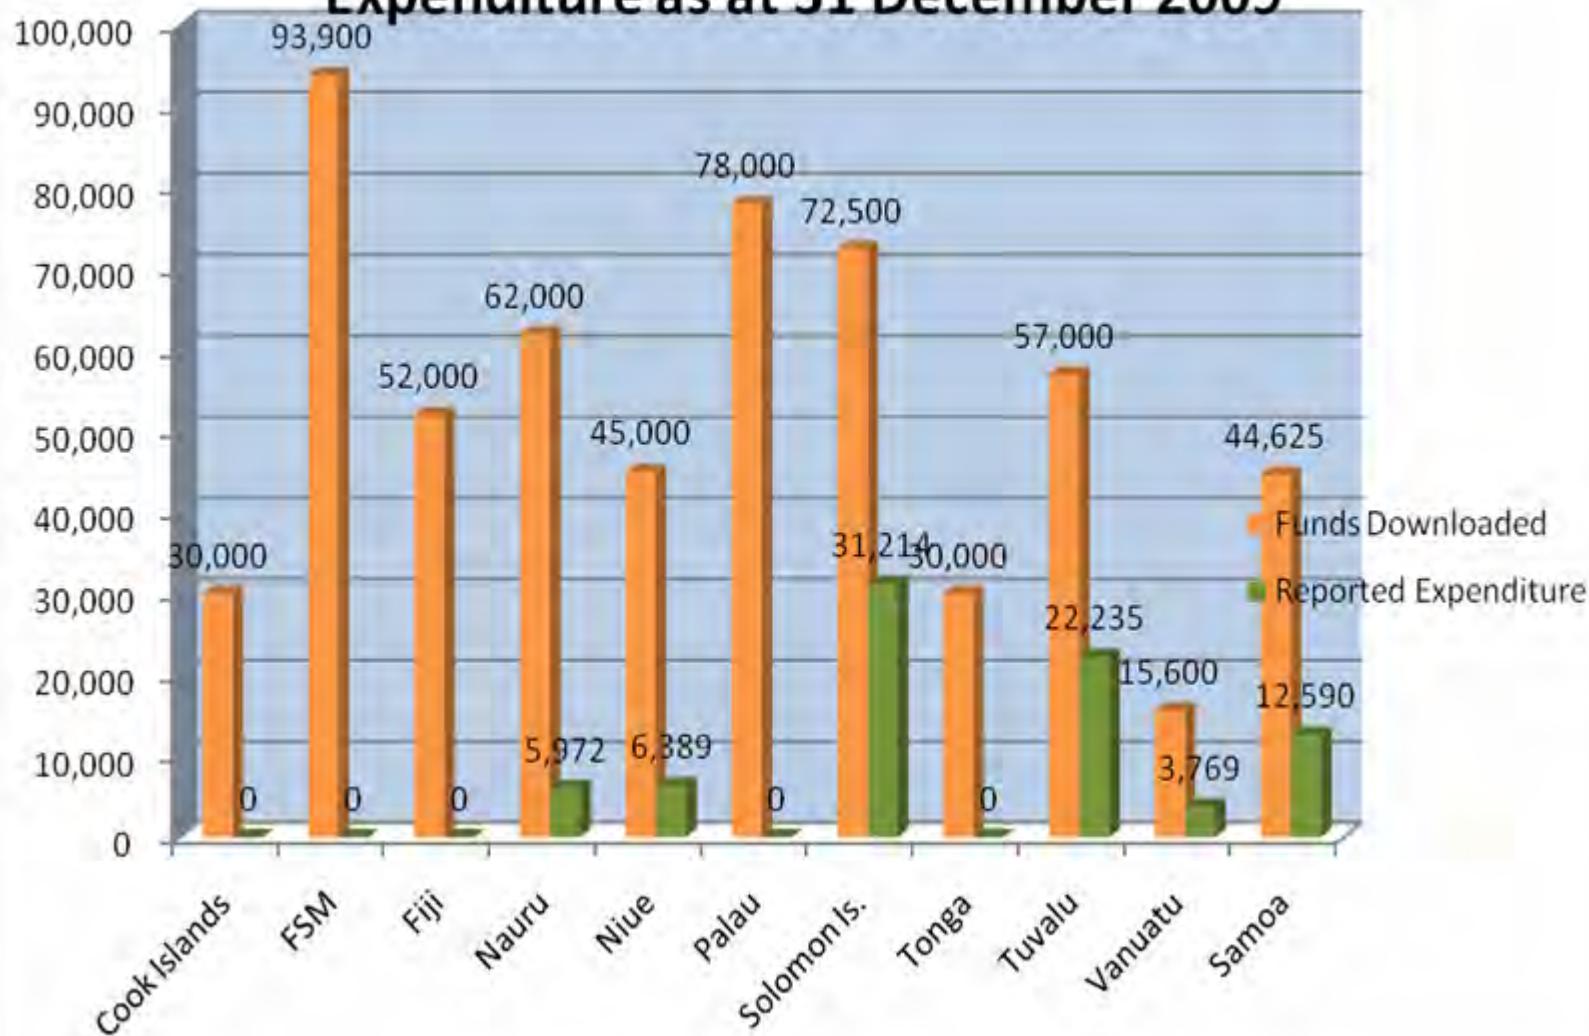

## 2009 Regional and Country Expenditure - By Outcomes

## **Breakdown of 2009 Expenditure by Regional and Countries are as follows :**

- Regional – 37%
  - Regional PMU Costs
  - Inception and Technical Workshops
  - Travel to assist in setting up of National PMUs
- Countries – 63%

## Funds Downloaded to Countries & Reported Expenditure as at 31 December 2009

Only 14% of the total funds transferred to countries have been reported as expended by 31.12.09:

Total funds transferred to countries – USD580,625

Total reported expenditure by countries –

USD82,169

Funds were transferred to 11 Countries, of which 6 countries have reported expenditure as at 31.12.09.

Level of expenditure (%) against the funds transferred by the 6 countries are as follows :

Nauru – 10%

Niue – 14%

Solomon Islands - 43%

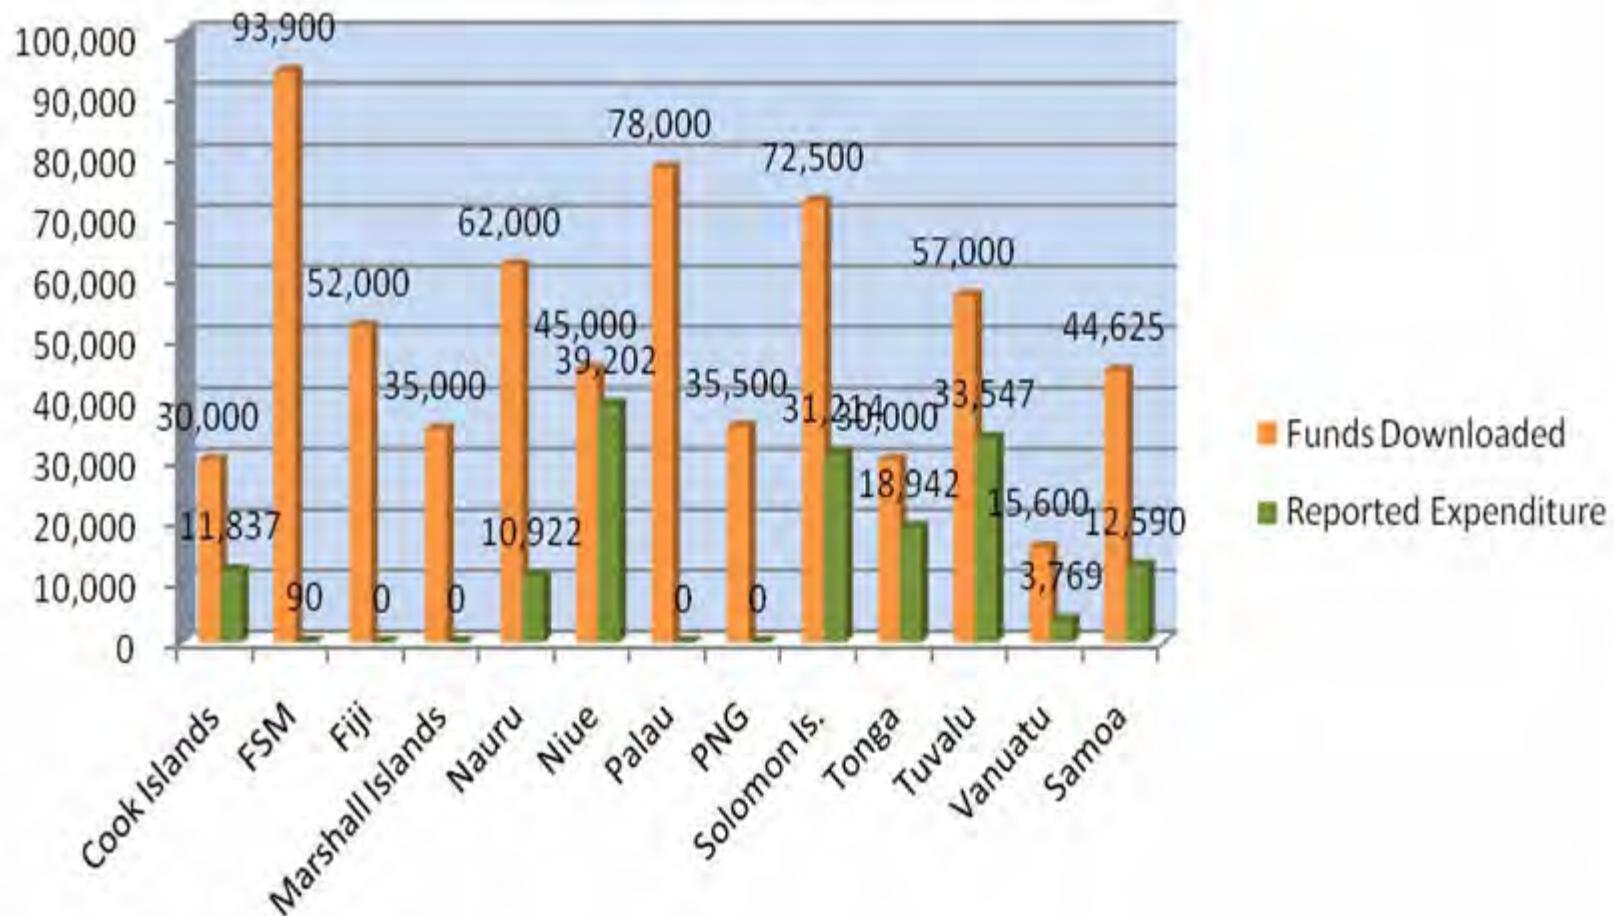

Tuvalu – 39%

Vanuatu – 24%

Samoa – 28%

**2009 Set of Slides  
ENDS**

## Funds downloaded to Countries and Reported Expenditure as at 30.04.10

**Funds have now been transferred to all the 13 Countries, of which 9 countries have reported expenditure as at 30.04.10.**

**Level of expenditure (%) against the funds transferred by the 9 countries are as follows :**

**Cook Islands – 39%**

**Nauru – 18%**

**Niue – 87%**

**Solomon Islands - 43%**

**Tonga – 63 %**

**Tuvalu – 59%**

**Vanuatu – 24%**

**Samoa – 28%**

**Total reported expenditure by countries – USD162,113**

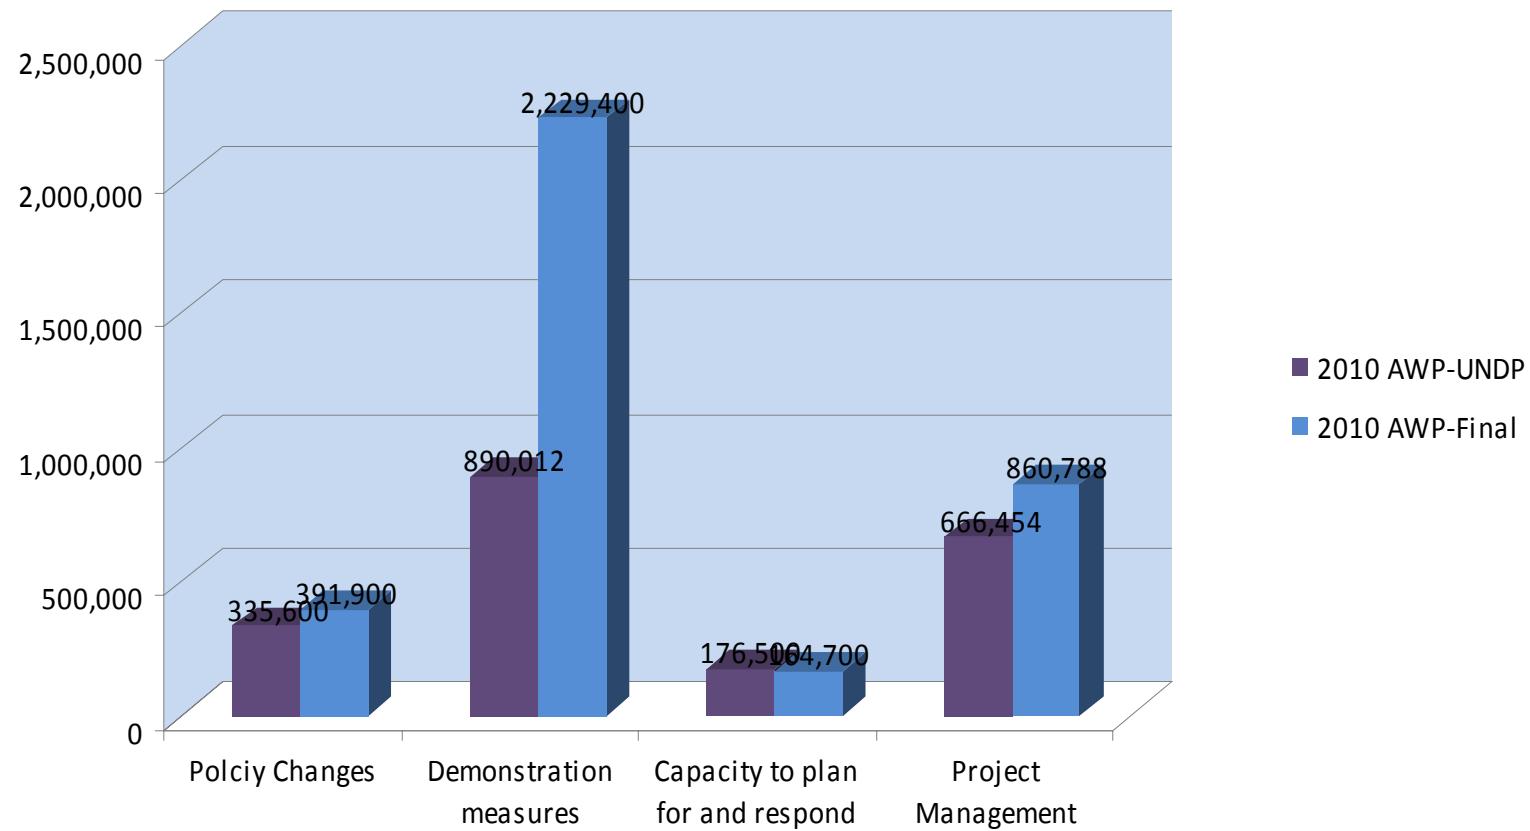

# Challenges

- Countries are not expending the funds as planned;
- Reporting using the Face Forms are still a major challenge;
- Delays in the submission of AWP and Quarterly Reports.

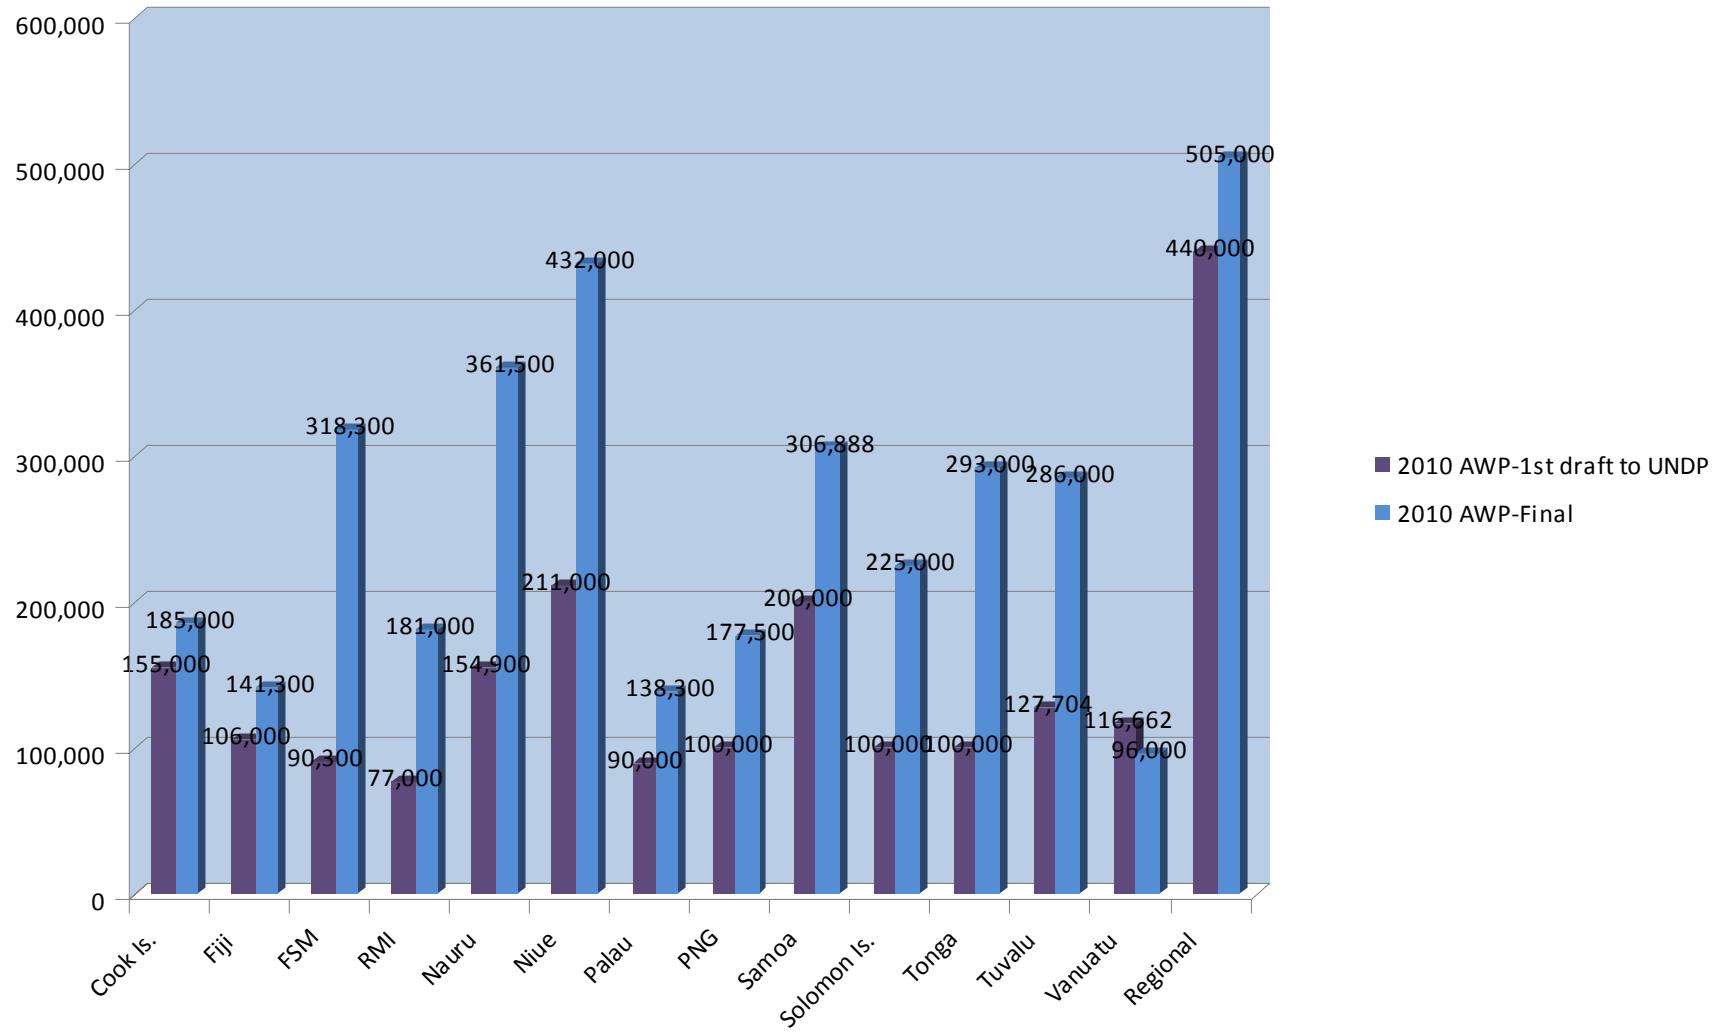

# Way Forward

- Address the ‘bottleneck’ at country level
- Countries to consider SPREP making Direct Payments on their behalf
- Refresher training sessions on the compilation of AWP and use of the FACE forms
- Countries to report using their local currencies

## Comparison of 2010 AWP & 1st draft sent to UNDP - by Outcomes

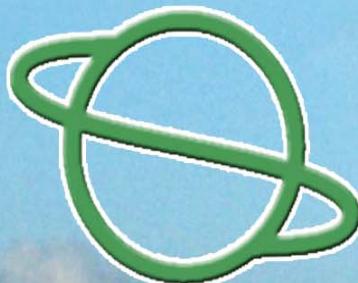

## Comparison of 2010 AWP-Final & 1st draft sent to UNDP - By countries and regional
